Sourcing Methodology:

We have an extensive unit of research experts in Data Compilation who constantly accumulate and qualify lists from over 10,000 Global sources. Our phone verification team frequently calls the contacts in our lists to update and validate the information in detail. We also email the contacts in our lists to verify and ensure their interest to receive information from third-party marketing and promotional mailings.

Our few sources of data collection are:

Registrations, 5,200 Yellow Page and Business White Page Directories, Public records, Leading Business Magazines, Newspapers and Company Newsletters, Corporate & Executive registers, Postal records, Surveys, Questionnaires, Census data, Voter registrations, Telemarketing efforts, Mail & Telephone inquiries, Re-seller Programs, Telephone directories, Rebate coupons, Subscriber order forms, Warranty card registrations, Entry forms, Credit & Financial data, SEC listings, Institution information, Conference/Trade show/Seminar attendee registrations, Government records, Opt-in email responses, Publishing companies and many more. All information is derived from proprietary, self-reported data, or sources of public records. It is obtained legally and ethically under a strict list of industry rules, regulations, and guidelines.
